

Another great day for a Romney Marsh trial at Westwell. 26 dogs ran on a perfectly manicured field on a glorious sunny day. Thank you to Doug Millen and the Lister family for making this possible. We are grateful to those who let out and to Liz who took the sheep off successfully all day long. Thanks also to our judges Jill and Hazel, and those who helped set up before, worked hard during the trial and clear away on the day.

RESULTS

Westwell
3rd July 2022

26 ran
